THIS MONTH

Heritage Month: Taking a look at all cultures.

Spring Day

Friday 1st

Here in the Southern hemisphere it's a wonderfully bright and colourful day celebrating the start of the new season, SPRING!, and the impending warmer weather.

World Beard Day

Saturday 2nd

Not to be taken too seriously, World Beard Day, could see your office in a competition to find the longest / most innovative or most striking facial hair.

International Literacy Day

Friday 8th

Highlighting the importance of a literary education, take the time today to make it a day in the office to celebrate books and education for all.

World Gratitude Day

Thursday 21st

Thank you. Two words that go a long way. Take time out to express gratitude to those around you, most particularly within your work space.

Heritage Day

Sunday 24th

In South Africa we celebrate a myriad of heritages that make up our rainbow nation on the 24th of September each year. Today is time to honour our differences that make us one country.

2023 october

THIS MONTH Mental Health Awareness: Take note of self + others.

THIS MONTH Breast Cancer Awareness: Be diligent in your health checks!

International Coffee Day
Sunday 1st

It may be the crutch that gets you up in the morning, but we do love it! No excuse to celebrate in the office on the Monday after coffee Sunday.

Techies Day
Tuesday 3rd

If you've ever suffered the inability to get your computer working or an email outage, you know the importance of techies - celebrate them today!

Boss Day
Monday 16th

Monday and Boss's Day. Be sure to be prepared for this day that may put you a cut above the rest ;)

Get to Know Your Customers Day
Thursday 19th
